TEMHCO invites you to celebrate the official opening of its new drop-in centre at Woodroffe. We had to expand due to the introduction of more therapeutic activities for Palmerston and its rural residents living with a mental illness. We will have some special guest speakers, a range of therapeutic activities to try, and you can enjoy a FREE healthy BBQ lunch. More details will be provided closer to the date. To RSVP email: [temhco.exec@temhco.com.au](mailto:temhco.exec@temhco.com.au) or call 0429 082 781.
