NDIS SERVICES AND PRICING GUIDELINES**

On 5 August 2022 TEMHCO received a letter from the NDIS Commissioner advising us that our application to be registered as a National Disability Insurance Scheme (NDIS) provider was successful and the classes of support that will be providing is highlighted in pink in the table below.

We are currently negotiating with NDIS providers who have been bringing their clients into the centre for Group/Centre Activities an agreement that provides these clients with support on a weekday standard 1:1, 1:2, or 1:3 ratio, where the client is transported by the service provider or makes their own way to the centre (See page 59 of [NDIS Price Guide](#)).

Other current pricing arrangements can be found here: [NDIS Price Guide](#)

To book an appointment to arrange your personalised plan, please call the centre on 0429082781.
